

Creative Futures Fund

Patron - Tim Healy

Queen's Hall Arts Centre

With your help we're aiming to raise

£200,000

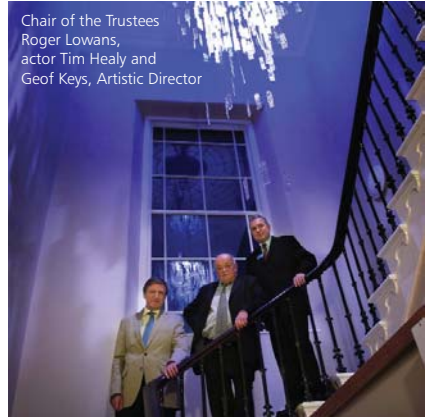

to encourage and support the artistic aspirations of the next generation.

As we celebrate our 25th year we also look forward to the future, and in particular to the young people who are all our futures. It is our aim to raise a fund of £200,000 which will be used to encourage and support the artistic aspirations of the next generation.

We look to supporters old and new to join us to create:-

- A bursary scheme to help young people in Northumberland take part in training and development opportunities.
- A tailor-made apprenticeship scheme at the Queen's Hall to deliver professional development to young people taking the first steps on a career in the arts.
- An upgrading of the Queen's Hall to include a dedicated studio space where we will support young artists and embryonic companies creating and performing their own work.
- A development programme, across all artforms, including work made by, and for, young people.
