

Thank you for joining us at Sci-Fi Monsters Live: Seek, Locate, Restore!

Welcome, Sci-Fi and Doctor Who fans as we kick off the summer holidays by celebrating the astounding exhibition of screen-used props, costumes, and monsters from Neil Cole's Museum of Classic Sci-Fi.

Today, you'll explore the exhibition, meet the stars, and watch interviews being recorded. PLUS enjoy merchandise stalls, autographs, the photo studio, monster make-up... and so much more!

With us today are: Sophie Aldred (Ace from Doctor Who), Rob Allsopp (Monster Maker), Neil Cole (Museum of Classic Sci-Fi) and Keith Barnfather (Reeltime Pictures).
